Since we have money for October travel we should be good to cover this. Let's plan on it.

Do we have travel \$ for a one day trip to LA in a next few weeks. I did not expect or plan for this trip.

**Subject:** Exide Meeting

Hello Steve Based on the last meeting I had with DTSC they were estimating a meeting to occur sometime during the Week of August 21<sup>st</sup>. I am currently contacting DDTSC to verify if they have secured an exact date for the meeting. This meeting would concern the beginning of the implementation of the Exide Closure plan phase 1. DTSC has requested USEPA presence at the meeting where some discussion would include lead agency, communication protocol, and other potential issues, concerns, or protocols.

Thank you
